

CURATED STYLES FOR MISS AMERICA ORGANIZATION

All contestants are required by Miss America to purchase and wear Rebel Athletic Attire for the Health + Fitness portion of the competition.

8% of all revenue generated from MAO and MAO Teen Candidates' purchases on our website go directly to supporting scholarships for each MAO State Organization.

Below are the (2) top and (2) bottom approved options determined by the Miss Virginia Organization. This attire will be worn at both the local and state levels of competition in Virginia.
